Dates: Saturday, September 1

Location: Sports, Health and Recreation Annex Area, Oregon State Fairgrounds

Sponsors: Curves
www.curves.com
Gaylene Mann

Summary: Curves, the world's fastest growing fitness franchise, is bringing a new and exciting event to this year's State Fair. Sponsored by a number of Curves locations here in the Willamette Valley, we aim to promote awareness of health and fitness and how important it is in these modern times. Weather permitting; you may notice us in the Salem skylines on the morning of Sept 1st. But in any case, we wish to invite you to indulge in the beauty of our 'Night Glow' at the Fairgrounds on Labor Day weekend. Don't forget to bring your camera; with over a dozen balloons it is sure to be a pretty sight!!!
